MANY YOUNG MEN THINK THEY DO NOT REQUIRE INSURANCE at the moment and overlook the fact that they may have a wife and family to provide for later on when the question of finding the premium (now at its lowest) may be a matter of more serious importance.

There are those, too, who say that as they cannot afford to insure for a LARGE amount they will defer the question "until they are better off," which often ends in their never getting insured at all, for meanwhile BAD HEALTH has rendered the life uninsurable or DEATH has intervened.

To meet such cases as are indicated above
The Star Assurance Office issues Deferred Assurances

WITHOUT MEDICAL EXAMINATION,

under which it is possible for a person to take out a policy for a substantial sum at a very low premium, which may, if desired, be paid monthly.

PRINTING

THE BUSINESS-BUILDER

Knowledge of how to make every piece of printing unique of its kind—of how to build selling-force into type and blocks—of how to use the technical tradition which we have been accumulating during FIVE REIGNS—is what has enabled us to win trade for our customers.

Any business can be built up with good printing——*if the message is printed so as to make people read it.* That is the whole problem. We have helped to build big businesses by what we know of printing. Do not make the mistake of thinking that words, pictures, and paper are all that go to make printing pay.

The printing which we produce is the cheapest in Scotland—when you measure it by results.

We invite you to let us suggest the style of printing which will give you the best value for your money——*and for your purpose.*
